
Staff Application

Alaska Ministry Network

In order to provide the safest possible environment in which our children and youth can experience God, all workers attending or assisting at any Alaska Ministry Network camps involving minors must be screened. A complete application, described below, must be on file 2 weeks before the event. If you have lived outside the United States, a longer processing time is required, up to a month.

Please note that Parts 1, 2, and 4 of this application must be received by the Alaska Ministry Network office at least 2 weeks prior to the event. If the application is received after the two week deadline, there is no guarantee that the forms will be processed in time for the event. In order to be processed, \$20 must be sent with this form to pay for the criminal records check.

1. The first section entitled “**Staff Application | Part 1**” must be filled out for every staff person and turned into our office.
2. The second section entitled “**Staff Application | Part 2**” must be signed by your pastor and included with “**Staff Application | Part 1**” to show that your church has done their due diligence to properly screen you.
3. The third section entitled “**Volunteer Screening Form | Part 3**” is to be completed only by applicants who do not have a written application on file at their local church. **This is to be retained by your church.**
4. The fourth section entitled “**Staff Application | Part 4**” is to be completed and turned in to our office with Part 1 and 2. This is an authorization to run a criminal records check, which is required for all camp workers. This part of the application is not necessary for workers who are minors.

Church Leader Certification

CHURCH LEADER CERTIFICATION

Because of the large number of applicants, great reliance is placed on the certification of each applicant's pastor that there are no facts or allegations that raise any question concerning an applicant's suitability for working with minors. It is also important that the local church has screened each applicant with a process including an application, reference check, and interview. When checking references, call organizational references such as churches, youth organizations, or other individuals who have observed the person working with minors.

I certify that:

Our church has completed two references checks on this worker, and the documentation is on file at the church. In addition, I, or another church representative, have completed an interview with the worker to determine their suitability to work with minors. Based upon the application, reference checks, interview, and any knowledge I may have, I know of no reason why this individual should not work with minors.
